### VIRTUAL PATIENT PARTICIPATION GROUP CONTACT FORM

Our Patient Participation Group at Burbury Medical Centre is encouraging patients to give their views about how the Practice is performing.

They would like to be able to ask the opinions of as many patients as possible and are asking if people would like to provide their e-mail addresses so that they can contact you by email every now and again to ask you a question or two.

If you are happy to be contacted periodically by e-mail please complete your details below and return this form to Reception, a Patient Participation Group Representative, or post it in the 'secure box'.
