

The NHS and Local Authorities in Birmingham, Solihull and Sandwell are working together to create a Central Care Record system which will be used to provide you with better care.

Central Care Record is an electronic system which will give health and social care staff faster, easier access to essential information about you, to help provide you with safe treatment whenever you are seen by any health or social care organisation in Birmingham, Solihull and Sandwell.

You can choose whether or not you want a Central Care Record. A letter and information booklet is being delivered to every adult registered with a GP in Birmingham, Solihull and Sandwell.
